FOR IMMEDIATE RELEASE: Sept. 22, 2014

Residents invited to suggest names for the East Campus

Residents are invited to a public hearing to consider whether the East Patrol Division Station and Crime Lab Campus, or an individual part of the campus, should carry a name other than East Campus. The campus is currently under construction at 27th Street and Prospect Avenue.

City Council members and city staff will be on hand to listen to public recommendations and comments. This hearing will begin a public process to examine whether a name should be attached to the campus, as well as who could be honored and why. If a name is given to the facility, it would mark the first time any KCMO police station is named in honor of an individual.

What: Public Hearing

When: Monday, Oct. 6, 2014, 6 p.m.-7:30 p.m.

Where: Robert J. Mohart Multipurpose Center, 3200 Wayne Ave., Kansas City, Missouri, 64109

Residents may also submit comments by emailing communications@kcmo.org by October 15, 2014. For more information, please contact Chris Hernandez, City Communications Director at 816-513-3474.

Background:

The East Patrol Division Station and Crime Lab Campus will have a significant economic impact on Kansas City's eastside citizens and businesses, while also benefiting the City's taxpayers. The East Campus represents an unprecedented investment in the Third District of Kansas City, MO. Construction has begun on this \$74 million project, which is scheduled for completion by Winter 2015-2016. The facilities are scheduled to open in early 2016. The East Campus is being built with the Public Safety Sales Tax approved by Kansas City voters in 2002 and renewed in 2010. The new East Campus will feature a police division station, a state-of-the-art crime lab, and a property and evidence depository. These new facilities will replace outdated buildings.
